

# Messy Holiness Life Group Plus

**Prepare and Pray** • With your Bible, pen, notebook/journal and this study guide, find a quiet place.

Write down 4-6 messes that have been on your mind this week and say a simple prayer inviting the Holy Spirit to speak and reveal himself as you study God's Word.

**Read this week's Bible passage** \_\_\_\_\_

**Observe** - Jot down your thoughts, impressions or questions. What stood out to you? What phrases made you think and/or make you ponder? Consider how is holiness expressed in this passage?

**Interpret** – We are focusing on this concept of how God takes our messiness and makes us holy. What lesson do we learn from this passage? Ask questions like: • Is there a command to obey? • Is there a promise to claim? • Is there a condition to that promise? • Is there a warning to heed? • Is there an example to follow or avoid?

Why is this lesson important?

**Apply** - We want to spiritually grow, so let us put what we learned into action. • How does this lesson connect with one of your 4-6 concerns you wrote earlier? How can you specifically apply this lesson with one of the concerns you have right now? State a specific time and place for when and where you will you apply this?

**Pray** in response to the Lord. Process your application with God and simply say – may this lesson you have taught me become a reality in my life this week.

*How are you really doing?*
